THE WESTMINSTER NURSERY

WESTMINSTER, MARYLAND

J. E. STONER, Prop.

FALL OF 1913---SPRING OF 1914

To our mail order trade.

We have a few facts to tell you, backed up by our millions of choice, healthy, vigorous, well grown and graded Peach, Apple, Pear, Cherry and Plum trees also Berry plants, California Privets, and Catalpa Spec. Seedlings, Asparagus plants, etc.

Our stock has made a fine growth. You can't get better anywhere at any price.

The best is the cheapest, is the verdict of old, experienced orchardists, profit by facts established by others. We give wholesale prices, and ship direct. We are the lowest priced Nursery on earth for sterling quality. We attach Entomologists certificate to all shipments.

We have to offer planters of Peach trees one of the largest and most promising lot of Peach trees ever grown and every tree budded on Seedlings grown from Kansas and North Carolina Natural Seeds. No Root Gall, no breaking off at surface of ground. Not apt to take Yellows.

Place your orders now. Make sure of your trees. Name kinds, grade and number wanted. We will reserve the trees until you want them shipped.

This past season hundreds of planters failed to get supplied because they waited too late before placing their orders. With the increased demand for Peach trees and the limited supply, we advise you to order soon as our prices are surely low.

ONE OF OUR BARTLETT PEAR TREES loaded with Choice Fruit, the Results of Spraying. Uninjured by severe frosts of April and May, 1913

Can't you arrange to visit our nursery and see how we grow our stock?

We give 30 trees of one variety at 100 rates, 300 of a kind (as 300 apple or 300 peach, etc., not less than 10 of one variety) at 1000 rates, over 10 and less than 30 at 10 rates less than 10 at each rates. Please note where no 1000 rates is quoted that 100 rates govern. All stock nicely packed F. O. B. cars here, in good boxes or bales at prices named in price list.

TERMS: Orders from parties without rating, billed cash before shipment or one-quarter cash with order, balance when stock is ordered shipped. If all cash with order 5 per cent off. No discount unless all cash with order. This price list is our salesman, and opens the way for every planter to secure our sterling quality trees at the lowest possible prices.

Our Peach trees have made an excellent growth and will grade up fine. Mostly 5 to 6 feet, 4 to 5 feet and 3 to 4 feet trees. A large stock of Elberta.

I wish to call your special attention to the fact that every one of our large stock of peach trees are budded on Kansas and North Carolina Natural Seedlings. The most hardy in the U. S. You can not afford to overlook this important feature. Our trees are well grown, smooth and well rooted. Our prices are low considering the quality. Let us have your order at once that we may reserve the varieties for you. Kinds marked (S) were collected and carefully selected by Mr. Charles K. Shank, of Smithburg, Md. Notice about time of Ripening.

The Union National Bank of Westminster

Westminster, Md.,

Dear Sir:

We enclose our regular planters' price-list and would kindly ask you to take note of our very low prices named thereon. We call particular attention to the special prices on Peach, Apple, Pear and Cherry Trees, also Berry Plants, California Privet and Carolina Poplars. This stock is of the very best quality and will please you.

These prices should attract your attention and bring us your orders, which we assure you will have our personal attention.

You will notice we offer a general list of stock. Our one and two year Apples consist of a long list of varieties, such as York Imp., Staymen's Wine Sap, Jonathan, Grimes Golden, M. B. Twig, Etc. In Peaches our assortment is very complete, embracing all the leading commercial varieties. We have made it a specialty to obtain the very best healthy and largest strain of each variety, and all our peaches are budded on seedlings grown from Kansas and North Carolina natural seeds. This is worthy your attention and a trial order.

We have spent a lifetime in growing and handling Nursery Stock and our methods are modern and facilities unsurpassed.

We have had a fine season for growing nursery stock, and we have to offer for the coming season as nice a lot of nursery stock as can be found anywhere. No better can be supplied at any price.

We have a long list of well pleased customers, some of which are the largest planters in the country, which is sufficient evidence that our method of doing business, and our goods please and gives honest results.

Our specialty is to grow high grade stock and place it direct to the planters and thereby save the planters the high prices necessary when buying from a traveling salesman who gets paid well for writing up your order.

If you are interested drop us a card, and receive a copy of our New Catalog.

We call your attention to our special Coupon Offer for a short time only, and free instructive book as described on separate sheets enclosed herewith. We allow 5% discount when all cash with orders, at prices named in price list.

We trust to receive your early orders, which will have our careful attention, and if there is anything about our price list you do not understand, kindly advise and we will explain.

Awaiting your commands, and thanking you in advance for a reply, we are,

Yours very truly,

J. E. Stoner

Write your name and address plainly Always give shipping directions whether by freight or express, and name freight or express office. If directions are not given we will use our own judgment.

No Charges made for Package and Delivery at R. R. Company when prices are made at catalogue prices. Where special prices are made cost of boxing and baling will be added to the cost. We endeavor to look after the interests of our customers and have plants and trees packed as light as is consistent with their safe transportation.

If Frozen when Received bury the package unopened in well drained ground or place it in a cool cellar, so that it will thaw out slowly and gradually without being exposed to the air.

If They Should Appear Dry or Shriveled When Received, through delay in transit, or from any cause, take them from the package and plunge into a tub of water or bury the roots in the ground in an inclined position, so as to cover one-half or more of the tops with earth, and then thoroughly soak with water, and then let remain for twenty-four hours or more, until they regain their fresh plump appearance, when they may be planted.

Our Guarantee—While we exercise the greatest care to have every tree and plant true to name and are ready on proper proof, to replace anything sent by us that prove untrue to label free of charge, it is understood and agreed between purchaser and ourselves that we are not to be held liable for any greater sum than that paid us for said trees that may prove untrue.

Time of Shipment—To the Fall trade, we will commence to ship trees as soon as the leaves are off and the wood ripe, and plants about the 1st of October and continue as long as the weather is mild. For the Spring trade, in most seasons, we can fill orders as early as February for the South, as late as May for the Northern customers. Always name date when you want stock shipped, but have it reach you before you need it. We endeavor to handle your stock in the best manner, pack it up nicely and give you good count.

When Best to Order. Order now. Do not wait until you are ready to plant.

Your order will not be shipped until the proper time.

How Best to Remit—Remit by Bank Draft, Express Money Order, or Post Office Money Order on Westminster Post Office, Registered Letter, or stamps for the fractional part of a dollar. Payments Invariably in Advance.

Special Low Express Rate—By special arrangements we are able to send plants by express to any parts of the country at 20 per cent less than merchandise rate over each company. We interest ourselves in giving our customers a
